## Submission t

Today is June 3rd 2026.

## Verification Scores

V_AGENTZERO(T)	0.9800
GATE (>= 0.95)	PASS
C_GRADED	9.7083
CONSENSUS BAND	A — Verified Consensus

## Agent Zero Rationale

The claim 'today is June 3rd 2026' matches the system clock ground truth (2026-06-03) exactly, making it a verified temporal fact; the unspecified source is irrelevant since the system clock is authoritative.

## Ring of 12 — Independent Grades

#	Perspective	Grade	Rationale
G01	Empirical Evidence	10.0	The submission matches the verified system clock date of 2026-06-03 exactly.

G02	Logical Consistency	10.0	The claim that today is June 3rd, 2026 is exactly consistent with the verified temporal ground truth (2026-06-03).
G03	Source Reliability	9.5	Claim matches the verified temporal ground truth (2026-06-03), though no external source is cited.
G04	Historical Context	9.5	The submission's date claim of June 3rd, 2026 exactly matches the verified temporal ground truth.
